BREEDING SHED REQUIREMENTS

Breeding Shed Dates: February 15 – June 30

Booking Hours: Mon – Fri: 8:00 am to 5:00 pm
Sat – Sun: 8:00 am to 12:00 pm

Breeding Times: 8:00 am and 3:00 pm - **PLEASE BE ON TIME**

BARREN AND NOT BRED MARES: All barren mares and those not bred the previous year are required to have a clean regular uterine culture within 30 days of breeding date. A clean culture certificate must accompany the mare to the breeding shed. A clean culture will be required for ALL return covers (not including doubles.) The culture must be taken from the current heat period.

MAIDEN MARES: The clean culture requirements are the same as stated above for barren and not bred mares.

FOALING MARES: No culture is required for the first cover. A clean regular uterine culture is required for ALL return covers (not including doubles). The culture must be taken from the current heat period.

EVA POSITIVE MARES: Any mare which is EVA positive without proof of being sero-negative prior to vaccination must be identified as such when booking the mare and will be bred last in line on any given day.

ALL MARES: being presented for breeding, must be vaccinated for the Equine Herpes Virus type-1, within 7 – 90 days pre-breeding. A statement from a veterinarian attesting to vaccination must accompany the mare to the breeding shed.

A SIGNED CONTRACT AND
COMPLETED MARE INFORMATION
SHEETS MUST BE ON FILE IN OFFICE
PRIOR TO BREEDING!
